**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support broadband competition, because I have competitive telephone service and believe this lessens the chance of price hikes that can increase the cost of internet and telephone service. I am speaking in support of Sonic Inc. fiber. Please see that they have the access they require to continue providing me with low cost connectivity.
